

CHRISTIAN COUNTY HEALTH DEPARTMENT
301 E. Brick
P.O. BOX 340
OZARK, MO 65721
417-581-8183
HOURS 8 - 4:30 WEEKDAYS

The following steps are necessary for obtaining permits for septic installation and rehabilitation.

Step 1: Obtain Soil Evaluation:

**See attached list of professionals who have indicated they do soil identifications.

Step 2: Get Licensed Installer

** See attached list.

Step 3: Submit Fully Completed Application for Permit:

Attach: (1) Site Evaluation Report from soil scientist
(2) Installers sketch drawing
(3) Inspection fee:
 \$ 75 New
 \$ 75 Rehab
 \$100 Commercial

Step 4: Christian Co. Health Dept. Inspector will do site inspection and review of installers sketch within 5 (five) working days from date completed application for permit was submitted. The Installer will be notified of permit # and approval to construct.

Step 5: Installer will notify Health Department 24 (twenty-four) hours before final inspection is needed. After final approval, installer can cover system.

Step 6: Final paperwork will be available to owner via the installer.
